

Acando in one minute

Acando is a consultancy company that in partnership with its clients identifies and implements sustainable business improvements through information enabled by technology. Acando provides a balance of high business value, short project times and low total cost. Acando creates measurable improvements through the development of processes, organisations and IT systems that strengthen and support each client's operations. Acando's task is to acquire a comprehensive view of the client's business and ensure that each project yields rapid and improved results. The client-base is broad, and includes small businesses, large corporations and public authorities. Acando's most important business partners are Microsoft and SAP. Annual turnover exceeds EUR 135 million and the Group employs approximately 1,100 professionals in six European countries. Acando is listed at NASDAQ OMX Nordic. Acando's corporate culture is based on three core values: Team spirit, Passion and Results.
